## **NATURAL AND HISTORICAL BEAUTIES**

Yozgat Bozok University is a higher education institution that offers students a rich experience both academically and socially. In the city, which has many natural and historical beauties such as Kazankaya Canyon, Sarıkaya Roman Bath, Kerkenes Ruins, Çeşka Underground City, Çamlık National Park, our students can enjoy nature as well as their education.

## **LIFE**

The peaceful atmosphere of Yozgat offers students the opportunity to focus on their academic success and have a pleasant university life. Being one of the calm and safe cities of Turkey, Yozgat allows students to lead a more comfortable university life thanks to its low living costs.

## **SOCIAL AND CULTURAL ACTIVITIES**

Our university makes significant contributions to the social and cultural development of students with various activities and seminars organised throughout the year. There are more than 100 student clubs and societies that support students' personal development, encourage them to think creatively and gain a questioning perspective.

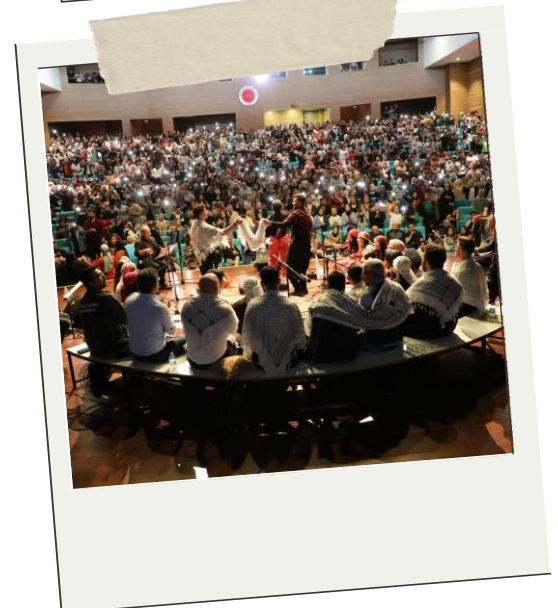

## **TRANSPORTATION**

Yozgat is located in the centre of Turkey and is close to big cities and easily accessible.

There are regular bus services from Yozgat to many points of Turkey. In addition, Yozgat is located on the High Speed Train (YHT) line. In this way, students can travel quickly and comfortably to Ankara, Istanbul and other big cities. On the other hand, the campus of Yozgat Bozok University is well connected with the city transport network. Buses allow students to easily reach the campus and other points in the city. On-campus transport is also organised according to the needs of students.

## **YOUNG AND DYNAMIC ACADEMIC STAFF**

Yozgat Bozok University offers a contemporary and quality education to students with its young and dynamic academic staff who have grown up in Turkey's large and well-established universities. The young and dynamic academic staff of the university provides students with an education in accordance with the requirements of the age with modern education methods and innovative approaches.

## NUMBER OF STUDENTS

Yozgat Bozok University is home to more than 25 thousand students from every province of Turkey and from various countries of the world.

## CAMPUS

Our university has a campus built on an area of 4 thousand 70 decares, with modern social facilities and rapidly developing day by day in line with the needs of students.

## ACCOMMODATION FACILITIES

Students have the highest rate of accommodation in state dormitories around the campus with 24-hour hot water, unlimited internet connection, and the most modern facilities that allow a small number of students to stay in the same room. These dormitories allow students to choose according to their budget and preferences. The proximity of the dormitories to the university allows students to easily access classes and other campus activities. Public transport and on-campus shuttles make it even easier for students to get around.

## EDUCATION

Yozgat Bozok University adopts a student-centred education approach with its dynamic academic staff. By taking into account the individual talents and interests of students, students can use their potential at the highest level thanks to personalised education opportunities. At Yozgat Bozok University, students can find the opportunity to conduct scientific research by taking part in various projects by taking advantage of research and development opportunities. There are high-quality academic staff, various programme options, practical application and internship opportunities besides theoretical knowledge.

In addition to modern laboratories, workshops and technology centre, students have access to national and international periodicals thanks to electronic databases. While Yozgat Bozok University supports students' learning experience and academic success, it also provides the opportunity to receive a double diploma with double major and minor applications between departments.

## FOREIGN LANGUAGE EDUCATION

Students who wish to participate in the English Preparatory Programme offered by our School of Foreign Languages and our well-equipped staff can prepare themselves for the future by taking advantage of our effective language teaching structured with the most modern methods. We offer students the opportunity to obtain internationally recognised foreign language certificates to provide students with advantages in the business world and academic careers.

## **PEDAGOGICAL FORMATION**

With its expert teaching staff, various formation programmes, field practice and internship opportunities, up-to-date educational methods and the use of technology, as well as providing students with the opportunity to combine theoretical knowledge with a strong practical basis, students can effectively use up-to-date educational methods and technology in pedagogical formation education and enrich their teaching processes by meeting digital learning tools and applications.

## **DIPLOMA SUPPLEMENT**

The diploma supplement provided by Yozgat Bozok University offers students an important support in achieving their career and academic goals by providing international validity and additional qualifications. This supplement contributes to students' success after graduation and expands their future job and academic opportunities.

## **INTERNATIONALISATION PROCESSES**

Yozgat Bozok University offers a broad global perspective in its internationalisation efforts. Our university provides international learning and teaching opportunities through student and academic exchange programmes. Various conferences, seminars, events are organised at the international level and these events help both students to expand their academic networks and our university to be recognised internationally. The university also offers student and staff mobility opportunities under the Erasmus+ programme of the European Union. These programmes allow students to gain cultural experience and support their personal development by studying at other universities in Europe. In addition, our university, which has participated in foreign education and promotion fairs in recent years, aims to become more visible and recognisable.

## **SPECIALISATION WORKS**

Yozgat Bozok University has become one of the 15 specialised universities in Turkey. In the field of 'Industrial Hemp', it is among the 'Specialised Universities' determined by YÖK.

## **QUALITY POLICY**

Yozgat Bozok University adopts a student-centred education approach in all processes and activities. In this direction, the focal point of our quality policy is student-oriented service understanding. In addition, academic excellence, continuous improvement and evaluation, compliance with international standards and commitment to ethical values are the strong cornerstones of Yozgat Bozok University's quality policy.
